To Our Valued Members,

We are excited to be open again for the season and are hitting the ground running! We have lots of fun things planned for the season and can't wait to welcome you all back!

We are asking you to consider renewing your membership at your previous level, or higher, if possible. Or perhaps you may wish to make an additional donation along with your renewal. Your membership sustains the Museum, allowing us to better serve our community members, to whom we owe so much.

We thank you, deeply, for your generosity and continued assistance in keeping the Museum a strong and vibrant institution. We look forward to seeing you soon!

Sincerely,

Nicky Clennon  
Director
